# The 11<sup>th</sup> Annual Meredith College Golf Classic

Monday, April 6, 2009  
Prestonwood Country Club

**MEREDITH COLLEGE STUDENT-ATHLETES** have successfully established a great reputation for themselves in the USA South Athletic Conference. In our second fall season, one of our freshman volleyball players broke the conference record for number of digs, the team finished in a tie for fifth place, and almost upset the number three seed in the conference tournament. Cross-country finished fourth, and soccer upset Christopher Newport to win the conference championship! To date, we rank second in the overall President's Cup Standings within the conference. Basketball, while young, appears to be much improved, and softball and tennis are boasting their best teams yet. This should make for an exciting spring season, too.

Much excitement is happening on campus as the College broke ground for the new soccer and track complex in August. Construction is to be completed in late March, with an alumnae event slated to be the first official competition on site as many former players return to compete against the current soccer team. Check out our web site at [www.meredith.edu/athletics](http://www.meredith.edu/athletics) to see aerial photos of the process and what promises to be one of the nicest facilities in the USA South.

On the academic side, our student-athletes continue to excel in the classroom, study abroad, and present research papers on "Celebrating Student Achievement Day." An increasing number are also participating in our SAAC-sponsored service projects such as Special Olympics and Habitat for Humanity.

As you consider participating in this year's Meredith College Golf Classic, please know that your generosity is deeply appreciated. Your dollars help offset the many costs of operating a first-class program.

We look forward to seeing you at Prestonwood and we also invite you to attend any of our home contests in each of our six varsity sports. Come see for yourself the talent level of our Avenging Angels.

Sincerely,

Jackie Myers  
Athletics Director  
Meredith College
