GER 307\* Advanced Conversation (varies)

GER 366 Advanced German Reading (20<sup>th</sup> Century Literature & German Civilization (varies)

GER 300 One Elective chosen from German 300 level courses

\* weekly independent lab work is required for these courses

### Curriculum for a German Minor

A total of 18 credit hours above the 101, 102 level is required to minor in German. The additional 300-level course can be satisfied by any literature or civilization course as a class or an independent studies project. German 366 can be taken on multiple occasions. Some 300-level courses may have to be taken through the Cooperating Raleigh Colleges (CRC) program. Another and much recommended option is the participation in a summer school program in a German-speaking country. Please see Dr. Kube for further details.

### Contract Major in German

If you are interested in a contract major in German (30 hours) designed for you please see Dr. Kube for further details.
