

Ellen Brewer Infant/Toddler Lab Home Enrollment

- EBH provides child care for children 6 weeks through 2 years old.
- The center is set in small home located on the backside of Meredith's campus. It is a small center and only enrolls 8 full time children a year. Typically, there are 4 infants and 4 toddlers that make up the enrollment of the house.
- Since the center is a part of Meredith's Campus, priority one goes to Meredith Faculty, Staff and Students, then to Meredith Alumna and then to the general community.

Tuition

- Tuition is \$255 a week.

Yearly Calendar

- EBH follows Meredith's academic calendar. The center opens in August; two days before the first day of classes and then closes after May exams are completed. The center also recognizes all holidays and closings throughout the campuses academic school year.
