LIFE ON CAMPUS

Meredith will be your new home away from home. Listed here are some of the services available to you – for more information, visit meredith.edu.

BANKING
Several banks are located near the Meredith campus. Students may cash personal checks in the Meredith Supply Store. There is also a Wells Fargo ATM in the Cate Student Center.

CAMCARDS
The CamCard is a student identification card, a debit card, a meal card and a residence hall entrance card. Freshmen are issued the CamCard at Enroll@MC events in the summer and all other students are issued the CamCard during orientation. To use the CamCard as a debit card, the student applies money to her student account. She may then use the CamCard for purchases in the Beehive, supply store, vending machines and for making photocopies.

FOOD SERVICES
The room and board fee paid by resident students includes the cost of three meals a day in the College dining hall. Commuting students may apply cash to their accounts and use the CamCard to purchase meals in the dining hall and Beehive or they may purchase a commuter meal plan.

HEALTH SERVICES/
COUNSELING CENTER
A campus physician, physician assistant and a registered nurse are on staff at Carroll Health Center to treat minor ailments and to coordinate care in times of medical emergency. The Counseling Center offers students a safe place to work through individual challenges they may face.

OFF-CAMPUS SERVICES
A small shopping center located behind the Meredith campus provides students quick access to an organic grocery store, a drug store, a book store, a dry cleaning establishment, and several restaurants. The CAT (Capital Area Transit) bus service, which makes regular stops in front of the campus, provides transportation to attractions in other parts of the city, including Crabtree Valley Mall and downtown Raleigh.

FINANCIAL SERVICES

Meredith is committed to partnering with students and families to make education affordable. For more information, visit meredith.edu/financial_assistance.

Tuition bills will be emailed to your Meredith email address in early July, once you are registered for classes.

MONTHLY PAYMENT OPTION

Meredith College values the health and welfare of its students. To serve the health needs of our student community, Meredith requires health insurance as a condition of enrollment for all full-time undergraduate (12 credit hours or more) students to assure that students have access to health care services beyond what is available on campus.

**Students who have health insurance:**
- If you have health insurance and wish to opt out of the plan that Meredith College offers, complete the waiver at meredith.edu/on_campus_services/health_services.
- The waiver will be available starting in June 2015. If this form is not completed by September 10, 2015 your student account will automatically be charged for the insurance plan Meredith is offering.

**Students who do not have health insurance:**
- Purchase a health insurance policy and complete the waiver at meredith.edu/on_campus_services/health_services. The waiver will be available starting in June 2015. The form needs to be completed by September 10, 2015 or your account will automatically be charged for the insurance plan Meredith is offering; **OR**
- Do not complete the waiver and automatically be enrolled in the plan Meredith College offers. Your student account will be charged on your first bill.

Students should check with their insurance provider to see if coverage is appropriate for Raleigh, North Carolina and is comparable to our current plan.

**Some Factors to Consider in Evaluating Your Current Health Insurance Plan:**
1. Does your health insurance plan provide medical benefits for you while at Meredith?
2. Does your current plan provide benefits from August 1, 2015 – July 31, 2016?

**Summary of Meredith’s Current 2014-15 Plan**

**Insurance Carrier:** BlueCross BlueShield of North Carolina

**Benefit Period:** This plan provides benefits to students from August 1, 2014 through July 31, 2015.

**Cost of Plan:** The cost for the current benefit period is $1,804. The cost may vary depending on the plan Meredith offers in 2015-16.

**Current Benefit Summary for in-network providers**
- $25 copay for Primary Care Provider
- $50 copay for specialist
- No out-of-pocket cost for preventative care, routine exams, immunizations and routine eye exams
- Prescription benefits
  - $15 for Tier 1 medications for 31 day supply
  - $45 for Tier 2 medications for 31 day supply
  - $60 for Tier 3 medications for 31 day supply
  - 25% coinsurance for Tier 4 medications (specialty brands), no maximum
- Psychotherapy/Mental Health benefit, $50 copay
- $50 co-pay per visit for preferred provider urgent care visits
- $300 co-pay for emergency department

To view Meredith’s current plan for the 2014-15 academic year, please go to meredith.edu/on_campus_services/health_services. The plan for 2015-16 will be similar to the current plan.
Important Information about Meningococcal Disease

Neisseria menigitidis is the bacterium responsible for meningococcal disease. This particular bacterium can live unnoticed in individuals (“carrier state”) with no symptoms. Occasionally, the bacteria will invade the bloodstream or other body tissues and cause meningococccemia, meningitis, pneumonia or pharyngitis (sore throat). Individuals who have had close, intimate contact with a “carrier” or with an individual who has one of these illnesses may become infected with the bacteria also. Even if treated promptly, meningococcal disease may progress rapidly and cause serious medical problems including death.

Meningococcal disease incidence has decreased since 2000, and incidence for serogroups C and Y, which represent the majority of cases of vaccine-preventable meningococcal disease, are at historic lows. However, the peak in disease among persons aged 18 years has persisted, even after routine vaccination was recommended in 2005. Freshmen, particularly those who live in residence halls, constitute a group at modestly increased risk of meningococcal disease relative to other persons their age. (Other undergraduate students wishing to reduce their risk of meningococcal disease can also choose to be vaccinated.)

There are two vaccines against N. menigitidis available in the United States, Menveo by Novartis; and Menactra by Sanofi Pasteur. Both vaccines can help to prevent 4 types of meningococcal disease (types A, C, Y, and W-135). Meningococcal vaccines cannot prevent all types of the disease (e.g. serotype B), but they do help to protect many people who might become sick if they didn’t get the vaccine.

For more information on Meningococcal Disease, please go to the CDC website at http://www.cdc.gov/meningitis/bacterial.html.

A Meredith student who chooses to receive the vaccine should get it from their family physician or local health department. The vaccine is available at Wake County Department of Health and Human Services.

MENINGOCOCCAL VACCINE RECOMMENDATION, as of January 28, 2011

Most students received one meningococcal vaccine at age 11 or 12. Originally this was thought to provide protection to students throughout their high school and college years. Recent research has found that persons immunized at age 11 or 12 might have decreased protective immunity by ages 16 – 21 years, when their risk for disease is greatest.

Meningococcal Meningitis Vaccine Booster: A booster dose is now recommended for those 16 years of age who received the initial dose at age 11-12. If the initial dose was given at 13-15 years, the booster dose should be given at 16-18 years of age. If the initial dose was given at 16 years or older, no booster is needed, except where there is continuing risk.

Please check with your physician to see if a meningitis booster is needed before coming to Meredith.

For more information on this latest recommendation please refer to the following CDC web address. http://www.cdc.gov/vaccines/vpd-vac/mening/default.htm
Voluntary Disability Disclosure and Request for Accommodation

Meredith is committed to creating an accessible community and providing reasonable accommodations to qualified students. We respect your right to confidentiality and allow you to choose whether or not to disclose your disability and/or necessary needs and accommodations. In a college setting, it’s the student’s responsibility to initiate the eligibility process and request accommodations, if desired. It is important to send the materials requested below to Disability Services in a timely manner so that we can be ready to provide you with accommodations when you need them.

Individuals with disabilities’ needs may vary, therefore we provide a number of support services to students who become certified with Disability Services. Accommodations and support services are determined on a case-by-case basis. If you have a learning disability, ADHD, hearing or vision impairment, mobility problem, health concern (seizures, diabetes, depression, etc.) or another condition that requires accommodations, please submit the materials requested below.

Students requesting accommodations for disabilities are required to submit:

1. The Voluntary Disability Disclosure and Request for Accommodations (opposite side of this page).

2. Documentation of the disability from an appropriate licensed/certified professional. For more specific information about the criteria for documentation, view our Documentation Guidelines online by visiting www.meredith.edu/disability and going to the Certification Process page.

3. In general, documentation must include the following standard requirements:
   - professional credentials of the evaluator (including licensures and areas of specialty) on official letterhead
   - documentation must be current (within 1 year for physical and psychiatric and 3 years for all other disabilities)
   - a clear diagnostic statement
   - includes complete educational, developmental, and relevant medical history
   - lists the tests and techniques used to arrive at the diagnosis of the disability
   - describes the functional limitations resulting from the disability
   - specifies recommended accommodations
   - states why the disability qualifies the applicant for accommodations

Please submit this form as soon as possible so that Disability Services can begin working with you to coordinate your need for accommodations. If you require accommodations for admissions, enrollment and/or advising events, please return this form no later than two weeks prior or contact Counseling Center/Disability Services at (919) 760-8427 or email disabilityservices@meredith.edu
