

Dear Fellow Teacher,

The keyboard faculty of Meredith College invites you and any deserving student(s) grades 8-12 to join us for our twentieth Keyboard Day on Saturday, November 12, 2011. There is no charge for this half-day event. All visitors will hear a recital featuring Meredith faculty and students. Following this recital, students will have the opportunity to perform in or observe a masterclass, or have private lessons with a member of our keyboard faculty.

All organ activities will be conducted by David Lynch. Teachers, parents and younger students who might wish to observe any of our events are also invited. Plan now to join us.

Our Location — 3800 Hillsborough Street

* For information regarding performances at Meredith College, please see www.meredith.edu/music and click on "Events" on the menu to the left.

Cut along line, insert in envelope and mail. Feel free to photocopy this form for additional students. Visit us online at: www.meredith.edu
