***Related areas chosen from biology; accounting; business and economics; chemistry and physics (this may include required CHE or PHY courses above); or computer science (this may include CSC above).*

¹Nine hours must be in the same language

²4 PE/DAN activities are required if no health courses are taken. If a health course is taken, 3 PE activities are required. Up to 8 PE activities can be counted toward graduation. All activity credit may not be in a team sport.

Overall, Major and Meredith GPAs of 2.0 are required to graduate

124 hours are required to graduate. 155 are required for those earning two bachelor degrees. In addition, 24 of the last 30 hours must be taken at Meredith. For transfer students, 31 hours must be completed at Meredith and 58 hours must be taken at a four-year institution. Once requirements are complete, additional hours may be filled with electives.
