

Care Assessment Team – Meredith College

In order to provide appropriate outreach, support and services for all Meredith students, a Care Assessment Team meets to discuss and address student situations as they arise (death in student's family, major student illness, student crises, etc). Members of the Care Assessment Team may include the vice president for college programs, dean of students, associate vice president for enrollment, an academic dean, chaplain, chief of campus police, director of the counseling center, director of health services, director of residence life, and director of commuter life. Referrals to the Care Assessment Team may be directed to Ann Gleason, Dean of Students, at (919)760-8521 or at gleasona@meredith.edu

For situations involving immediate danger to the campus community, please contact Campus Police at (919)760-8888.
