Storysharing Lesson Plan

Book Title: _____

Author and Illustrator: _____

What do you want to teach with this book?

Introduction to the story (To catch the child's attention and build background knowledge)

- Think about use of a prop, introducing new vocabulary

Read the book (To teach the lesson and increase attention span)

- How will you enhance the book with sound effects, voice or action?

Review the book (To develop thinking and language skills)

- What are some open-ended questions (requires more than yes/no) you will ask?
- Is there new vocabulary to review?

Storysharing activity (To let children experience and enjoy the book in many ways)

- What activity will you do? (Music, art, dramatization)
- What supplies will you need?

Closing (To reinforce lesson and transition to next activity)
