

BENEFITS OF THE MEREDITH COLLEGE TEACHING FELLOWS PROGRAM

- *At Meredith College, it has never been more affordable to pursue a career in education. Meredith College Teaching Fellows are guaranteed a minimum \$6,500 academic award per year for the four years of their undergraduate education. Of course, this is just the beginning. Many Meredith Teaching Fellows may also qualify for larger academic awards resulting in total scholarship assistance beyond \$6,500 per year.*
- *Meredith Teaching Fellows gain valuable classroom experience from professional Mentor Teachers, participation in leadership seminars, service-learning opportunities, cultural experiences, trips and the opportunity to Study Abroad. Our merit program, recognized as one of the nation's most ambitious teacher recruitment initiatives, provides an enriching program in preparation for the challenge of classroom teaching.*
- *A Meredith College student who plans to be a teacher majors in the field of her choice and at the same time, pursues a program that leads to teaching licensure. This winning combination, a college major plus a teacher education program, uniquely prepares Meredith graduates to meet the needs of all students.*
