As a student, faculty, or staff member of the Meredith College community, you will discover that there are many ways the Campus ID Card (CamCard) can be used while on and off campus. Meal plans, debit accounts, access to campus facilities, restaurants, supermarkets, are just a few of the benefits provided by the Meredith Campus Card.

Adding Money to the CamCard

Students and parents of students have two ways to add money to the Meredith Campus ID Card.

- Accounting office: Cash or check is the only accepted method of payment in the accounting office.
- Use a credit card with the Manage MyID service. A 2.99% charge will be applied.

Manage MyID Registration

Registration is required prior to accessing the Manage MyID account. A Meredith email and ID number is required to register.

Manage MyID service includes:
- Deposit ($5.00 minimum)
- Lost card notification
- Email, password, administration.
- Balance history
- Transaction history

With completed registration and confirmation, students, and parents of students can visit the Manage MyID site to add money to the campus card.

Support for Manage MyID

The Manage MyID process is controlled by the Meredith Financial and Accounting Department. Please address all inquires to (919) 760-8363 or email Accounting@meredith.edu.
