Dearest 08ers:

Can you believe 10 years ago this May we graduated from our beloved alma mater, good ol’ MC? Alumnae Reunion Weekend is May 18-20, 2018 and we are SO excited to reunite after several years away! This weekend is packed FULL of fun events, and you don't want to miss it.

STAY IN THE DORMS! Why you ask? What better way to help bring back all of those awesome memories than by returning to where a lot of them took place. After the Friday night Alumnae Association’s cocktail reception in the courtyard, head on up to 2nd Vann for the Class of 2008 “Suite Night In” social! We will have desserts, beverages and fabulous door prizes to be raffled off (must be present to win)! Even if you decide not to stay in the residence halls, please feel free to join us. You don’t want to miss this time to catch up with our classmates and relive a little bit of classic 08 humor!

Saturday morning head down to the Alumnae Market and then make your way over to the State of the College to hear Dr. Jo Allen give exciting updates on our wonderful home away from home. Visit www.meredith.edu/alumnae/awards.htm and nominate a deserving classmate for an award! This is a very important event, so let’s be sure to show class unity with our attendance. Saturday afternoon we will hold our class meeting. We will be conducting important class business and electing new class agents. Also, we encourage you to bring items from our time at MC to add to our class archives box! This box will remain on campus for us to view at our next reunion in 2023. Additionally, our class picture will be taken at this time and we will give out our reunion favor! It’s going to be an awesome surprise!

Then comes the really exciting part! Saturday night is all about the Class of 2008! We will have our class celebratory dinner at Ashley Christensen’s venue, The Bridge Club, in downtown Raleigh. Please be sure to register for this event in addition to the general reunion registration. You can find registration information and costs on the back; class event registration is due by April 20, 2018. After dinner we will head out downtown for a little bit of college fun!

Be on the lookout for more important information from MC about the different positions that are available within our class and a detailed schedule of the weekend’s events! Trust us, you don't want to miss anything!! It is going to be a blast!
