

CORNHUSKIN' WRISTBAND DISTRIBUTION FOR STUDENTS AND STUDENTS' GUESTS - 2019

At the main event of Cornhuskin' on the evening of November 2nd, MRA will enforce the Spectator Guidelines (see these guidelines on the Student Leadership and Service website and the SLS MyMeredith page). All individuals entering the main seating inside the Amphitheater will be asked to have a wristband (including students who are asked to sit within a class section). These wristbands must fit appropriately and not be loose enough to be removed. There are dates and times that need to be honored in order for the evening to be a success for all students and their guests.

Please honor this timeline and deadlines:

- Monday, October 14 at 8am – Thursday, October 17 at 11:59pm– **2019 Cornhuskin' Meredith Student Seat Registration On-line** - Each student will receive an individualized seat registration link on October 14th. Each student will be asked to enter information including: name, class affiliation, ID Number, and E-mail address to reserve a student seat in a specified class section (FR, SO, JR, or SR) for the evening of Cornhuskin'. The class affiliation selected will correspond to the class section the student will sit in on the evening of November 2nd. **Students will not be allowed into the main event without a wristband.**
 - Friday, October 18 – An initial informational email with instructions regarding guest registration will be sent to all students. *The guest registration will not go live until Monday, Oct 21st.*
 - Monday, October 21 at 11:59pm – **Meredith Student GUEST Registration Begins** (through Qualtrics Survey Software at Meredith) – An email will be sent earlier in the day with reminders and the link to the form. **The link will not go “live” until 11:59pm that evening.** Students are responsible for clicking the link and registering for guest wristbands beginning at 11:59pm. Students will enter their name, classification, email address, phone number, and the number of wristbands requested (1 or 2). *This process allows students to enter the system on a first come first served basis. Qualtrics will generate a list of all entries in time order. Completing this request does not guarantee your guest(s) a seat in the Amphitheater. After the number of available guest seats is determined, the following will be used for distribution numbers:
 - Seniors will receive 40% of the guest wristbands
 - Juniors will receive 30% of the guest wristbands
 - Sophomores will receive 20% of the guest wristbands
 - Freshmen will receive 10% of the guest wristbands
- Note: Cornhuskin' wristbands are NOT for sale. Attempting to publicly or privately sell student or guest wristbands will be considered an honor code violation.**
- Tuesday, October 22 at 11:59 pm – **Meredith Student GUEST Seating Registration Closes**
 - By Tuesday, October 29 at 5pm – **All students who will receive RESERVED GUEST SEATING spaces will be notified through an e-mail message confirmation.** An additional email will be sent to those who did not receive reserved seating for their guests.

- Wednesday, October 30 at 10am – Friday, November 1 at Noon – **Students who registered for a seat in the Amphitheater through the on-line Meredith Student Seat Registration will pick up an official wristband at the Office of Student Leadership and Service in 202 Cate Center** (10am-2pm Wednesday –Thursday and 10am-12pm Friday). Each student must present a Meredith Student ID for verification when picking up a wristband; wristbands are non-transferrable and non-replaceable.
- Saturday, November 2 at 5pm – **Confirmed Meredith Student GUEST wristbands will be distributed at an Upper Level Amphitheater Tent.** Confirmed wristbands will be available for pick up until 9pm. *Note: additional instructions will be sent out to students at a later date.*
- Saturday, November 2 at 5:30pm – **Gates Open at Amphitheater;**
- Saturday, November 2 at 6:30pm – **Festivities begin!**

****Remember:** There are many alternate viewing areas for guests that do not require a wristband such as the hills on either side of the amphitheater and outside of the gated area (which are in closer proximity to the concessions and porta-potties) and climate controlled seating in Jones Auditorium.
