Welcome to all new and returning students! We hope that you had a rejuvenating summer and are ready to join us for a year of music making.

The Community School of Music is an on-campus program that enables Meredith College to engage with the surrounding community through music education. The Community School of Music (CSOM) exists to provide a joyful, informed, and disciplined environment for children and adults to study and make music. We believe that every person has musical abilities that can be developed. CSOM offers Suzuki and/or traditional music lessons, music classes for adults, children’s choirs, summer camps, and countless concert opportunities throughout the calendar year. Whether your aim is to introduce a young child to the wonderful world of music, to pursue advanced musical study, or just to have fun and learn a new skill, the Community School of Music at Meredith College is the ideal place to start and continue making music!

The first step for new students is to schedule an audition/interview with one of our teachers in the area you wish to study. For contact information, please see our Faculty Directory on page 7.

If there are questions, please feel free to call the Music Office at (919) 760-8537 or contact June Cassell at communityschoolofmusic@meredith.edu. For questions concerning specific offerings, please contact the individual teachers directly using the Faculty Directory in this brochure.

We look forward to sharing our enthusiasm and excitement for music with all of our students!

Sincerely,

Jessica Jenkins Davis

We say, “There are no wrong notes!” so that the door—actually an infinite number of doors—of joyful and poignant creative expressions will swing open! Yamamoto will facilitate this dynamic, experiential class using the methods of Music for People ([www.musicforpeople.org](http://www.musicforpeople.org)). Both serious musicians and novices are welcome! Bring your instruments if you have any, and we will also use our voices and bodies. This class is not about improvisation in a specific genre (e.g., jazz or classical).

CSOM POLICIES

WITHDRAWALS

Students new to our program may withdraw during the first two weeks of the semester, with their fees prorated. After that, students are responsible for the full semester’s fee. Students who are unable to continue at the end of the fall semester may withdraw in, or before, December with no financial penalty regarding spring charges. Please note that notification for withdrawal for the spring semester must occur before December 7, but that payment in full of fall semester charges will be expected. The Music Department must receive notice of withdrawal in writing or by emailing June Cassell at communitieschoolofmusic@meredith.edu.

ATTENDANCE POLICY

Students are expected to attend lessons and classes at the time scheduled. Please do not come to lessons if you are ill. The full calendar makes it impossible for us to make up missed lessons, group lessons or classes. If a teacher must miss a lesson, she/he will notify students in advance, if possible. Teachers will arrange to make up any lessons missed because of the teacher’s schedule.

INCLEMENT WEATHER POLICY

If Meredith College is closed due to inclement weather, lessons will be cancelled. Announcements are made on our Weather Line at (919) 832-8878, on 101.5 FM radio and on WRAL television. The closing of public schools does not necessarily mean cancellation of lessons. Teachers have varying policies; it is their responsibility to inform students of their policies in the event of school closings. Make-up lessons will normally be added at the end of the semester, at times arranged between student and teacher. If a student misses a make-up lesson, that lesson will be forfeited.

NON-DISCRIMINATION POLICY

Meredith College admits students to the non-credit music program without regard to race, sex, creed, national or ethnic origin, age, sexual orientation, or disability.

CALENDAR

Both semesters include sixteen weeks of instruction and run August to December and January to May. Meredith College holidays and public school holidays do not always coincide and policies vary by studio, each teacher will give students a schedule of lessons for each semester. Your teacher will schedule your lesson time.
PARKING

Parking tags will be required to attend lessons and classes. New and returning students must acquire new parking permits each year. To avoid parking tickets, please follow these directions carefully. Each registered student/student family can register up to two (2) cars and receive parking tags free of charge. These parking tags will now be issued through the Music Department. To obtain a parking tag please fill out the parking registration form online when you register. Your teacher will be give you your passes when they are available.

Parking for CSOM students with parking tags is allowed at all times in the visitor spaces in Lot 17. Lot 14 is available for students with parking tags at all times of the day or evening. Lot 16 is available for CSOM students with parking tags after 4:00 pm.

If CSOM families park in Faculty, Staff or Student parking spaces other than Lot 14 and Lot 16 (after 4:00 pm), Campus Police will issue parking tickets. At no time should the circular drive at the main entrance into Wainwright Hall be used to drop off or pick up students. This is a fire lane designated for emergency vehicles only. Please park and enter the building to drop off or pick up students in one of the designated lots. For the increased safety of everyone, we will appreciate your help in following these instructions.
