Due to technical difficulties, we were unable to record the Virtual Experience Meredith! Webinar with Residence Life and Dining Services on April 3. Below are some notes from the event. Be sure to keep tuning into the Facebook Live events in the Official Meredith College Class of 2024 Group on Mondays at 10 AM and Wednesdays at 2 PM to hear from current Meredith students about life on campus!

Dining Services

- There are several **on-campus dining options** available for students – Belk Dining Hall, the Beehive Café (home of We Proudly Serve Starbucks, Grille Works & Sandwich Shack), and Food for Thought (housed in the Carlyle Campbell Library)
- An all-you-care-to-eat **meal plan** is included in the cost of Room & Board. **Commuter students** can purchase a meal plan or pay for individual meals. Additional information about meal plans can be found [here](#).
- Meal plans also include Dining Dollars. Dining Dollars are funds stored on your Cam Card (your Meredith student ID card) and can be used at on-campus dining locations.
- Meredith recognizes and accommodates food allergies, preferences, and special dietary needs.
- Questions? Reach out to the General Manager of Dining Services, David Penney, at campusdining@meredith.edu.

Residence Life

- A list of items you **should and shouldn’t bring** with you when you move in to the residence halls can be found [here](#).
- You can check out residence halls and rooms on the [Virtual Residence Life Tour](#).
- Your [Housing Form can be completed online](#) and you can update it up until June 1st. You have the option of choosing your **roommate** and suitemates, but you don’t have the option to request a specific residence hall (unless you’re doing so for accommodation purposes with Disability Services). You’ll receive your housing assignment in July.
- Don’t want a roommate? You can request a private room on the Housing Form for an additional $750 per semester.
- Students have access to many different **amenities** on campus, including the [Lowery Fitness Center](#).
- There is no curfew for students on campus. Students can come and go as they please, but should be prepared to show their Cam Card (student ID card) at the Gate House if returning to campus at night.
- Male guests are welcome in the residence halls during [Open House Hours](#). These hours have recently been expanded.
- Questions? Reach out to the Director of Residence Life, Heidi LeCount, at reslife@meredith.edu

Questions? Reach out to your **Admissions Counselor**!
