Graduate Assistantships

Awarded to students showing particular academic promise and leadership potential, compensation includes full tuition coverage. Awards are typically made during the admission process before students begin the MBA program. Graduate Assistants work up to 20 hours per week for the MBA program in various positions.

Requirements:

- Enrolled in 6+ credit hours per semester
- Outstanding academic qualifications (strong GMAT/GRE scores will be given preference)
- Must maintain a minimum GPA of 3.0 during tenure as a graduate assistant
- New students are given preference for this position

Scholarships

The Meredith College School of Business offers merit and need-based scholarships for qualified applicants. These scholarships provide partial tuition assistance ranging from $1,000 to $5,000 awards, given on a one-time basis. Awards are typically made during the admission process before students begin the MBA program.

Requirements:

- Outstanding academic qualifications
- Financial need

Essay Questions:

Provide answers to the following essay questions:

**Essay 1:** Discuss your leadership experience, in terms of your activities in: community-based activities, internships, student organizations, professional organizations, sports activities, etc. Include information regarding any offices to which you have been elected or other examples that indicate situations where you have demonstrated leadership. Specify contributions to community or organizations.

**Essay 2:** Discuss your career aspirations for the future and profile your progression so far toward your career goals. How do you expect a Meredith MBA to help you attain your career goals.
