Fall Semester in Italy

Fall 2020

Comprehensive program brochures available from faculty and in Joyner 124, Office of International Programs

Dates
Early September – Early December, 2020

Location
Sansepolcro is a medieval walled city in the heart of Tuscany, where Meredith students have studied abroad for 25 years. The beautiful and historic Palazzo Alberti is Meredith College’s home in Italy. This 16th-century building was renovated in 2009 for Meredith program students and faculty to live and learn together. Our longstanding palazzo chef prepares traditional multi-course lunches each weekday. The program includes day trips and overnight excursions, as well as independent travel breaks.

This program will provide you with countless opportunities to study works of art in museums and cities across Italy. You do not need previous art history experience, just a love of art and travel!
