Mission Statement
In response to the ever-changing needs of college students, the residence life staff provides a program of student services designed to enrich the quality of life of Meredith students. By offering programming and counseling, maintaining safety, and intervening in crisis situations, we provide an environment conducive to student success at Meredith.

Philosophy
The philosophy of the residence life staff is one that recognizes and affirms the uniqueness and worth of each student and her potential for growth. To enhance and supplement the classroom experience, the residence life staff promotes activities, programming and community building which contribute to the holistic development of the student. The residential setting, as a living/learning dimension of campus life, is perhaps the single most important synthesis of classroom learning and college experience and activity.

A commitment to the living/learning environment provides the motivation for community building that serves students and provides opportunities for intellectual, physical, social, emotional, spiritual, and professional growth. The Residents Housing Association provides the structure for the governance of
We're Here to Help
Resident students at Meredith enjoy many opportunities while living on campus. Enjoyment of these opportunities depends upon personal involvement as well as personal commitment to the welfare and needs of residents living in a community. Each resident must take personal responsibility to abide by the rules and regulations, so the group as a whole can function effectively and benefit from the creative interaction of residence life.

The residence life staff provides a program of student services designed to enrich the quality of life for Meredith students. The residence life staff includes the director of residence life, residence life administrative assistant, residence directors, apartment manager, resident assistants, Oaks Community Assistants and the Residents Housing Association. Director of Residence Life: Heidi LeCount, 219 Park, 919-760-8633 or reslife@meredith.edu.

Residence Directors
Residence directors (RDs) are full-time staff members who live in the residence halls on campus. RDs are trained in the areas of student development, crisis intervention and counseling skills as well as how to assist students with social, emotional, and academic concerns. They perform a variety of duties on campus, work through the Office of Residence Life, and are available to assist students with questions or concerns. Residence directors supervise the resident assistants of the building and serve as a resource to their residents and students on campus. Emergencies should be reported immediately to the residence director on duty, who maintains contact with security.

If you need to contact the Residence Director on duty, call the cell phone at 919-612-6350 (leave voice mail message if there is no answer).

Residence Directors’ Phone Numbers:
Vann and Stringfield Hall, Caitlyn Riner, 919-760-8870
Brewer Hall, Sarah Carr, 919-760-8502
Poteat Hall, Britt Tatum, 919-760-8528
Faircloth Hall, Rachel Downey, 919-760-8503
Heilman Hall, Jessica Sharpe, 919-760-8027

Resident Assistants
Resident assistants are student staff who live on each floor of the residence halls. They are supervised by the residence director of the building. Primary responsibilities include:

- To be accessible to the residents on her hall for assistance and counsel.
- To uphold and enforce the Honor Code.
- To encourage student participation in campus activities.
- To facilitate campus communication.
To create a positive living/learning environment on her floor, which will enhance and facilitate maximum community interaction and encourage accelerated personal growth.

Resident assistants are chosen in the spring by the residence life staff. Selection follows an in-depth application process which includes a formal written application, recommendations from two references, an interview and group process activities. Resident assistants are part of the staff of the Office of Residence Life and receive financial compensation.

Hall Meetings

Freshman hall meetings are held during the week of freshman orientation and throughout the fall. Upperclass hall meetings are held during each semester as necessary. Hall meetings are used as times to discuss community issues, upcoming programs, and other campus information. Attendance is required at all hall meetings.

The staff of each residence hall sponsors a variety of social, cultural, educational, recreational, and community service programs and activities. At the beginning of the year, your RA will ask for suggestions about the types of programs and activities that interest you.

Getting involved in the programs and activities that occur in your building will help you to learn about yourself, your community, and the world around you!

Home Improvement

Each resident is provided a standard size twin bed, dresser, desk, chair and closet. Some students coordinate bedding and discuss color schemes with their roommates before even setting foot into their room of bare walls and stripped beds. Others let the room evolve. All students find a way to make their room a home away from home for themselves. Decorating a residence hall room can be one of the most creative “budget” efforts a student ever undertakes. The key to residence hall decorating is learning to incorporate existing furniture with flexible items you add like carpet or free-standing shelves. Posters and personal knick knacks can warm up your room. Just remember to keep it safe (no candles or possessions that are fire hazards—see Fire Emergency Procedures for complete fire hazard information) and keep it temporary (you’ll want to leave the room as you found it).

Have fun!

All furniture provided in each room is required to stay in the room. The college does not provide furniture storage. Furniture cannot be removed from a room.

Roommates

Students will tell you that some of the biggest unfounded fears about college relate to having a roommate. It is true that it is rare for roommates to agree on everything, but, when roommates take the time to learn about each other and to talk about each other’s likes and dislikes, they quickly pave the way for positive living experiences. It helps to begin thinking about how you can be a good roommate to someone else. Here are some tips about being a good roommate:

- Communicate
- Be open and friendly
- Set boundaries
- Be understanding
- Respect privacy
- Ask before you borrow
- Resolve conflicts

Remember: Give your roommate the courtesy of speaking to her first about any problem before she hears it from someone else.

Roommate Agreement Each pair of freshman roommates will complete a roommate agreement during their first few weeks together as roommates. This Roommate Agreement should be helpful to students as they negotiate the guidelines they want to follow in their roommate relationships.
Roommate Bill of Rights and Responsibilities

- The right to read and study free from undue interference in one’s room (unreasonable noise and other distractions inhibit the exercise of this right).
- The right to sleep without undue disturbance from noise, guests of a roommate, etc.
- The right to expect that a roommate will respect one’s personal belongings.
- The right to a clean environment in which to live.
- The right to free access to one’s room and facilities without pressure from a roommate.
- The right to responsible personal privacy.
- The right to address grievances. Residence hall staff are available for assisting in settling conflicts.
- The right to be free from fear of physical and/or emotional intimidation.

How to Make it Work Once students have talked about each other’s likes and dislikes, they will read through the Roommate Agreement and complete the form. Remember, you should talk to your roommate if something is bothering you. The sooner you talk about it, the sooner the concern is talked about, the sooner it can be resolved. Resident Assistants and Residence Directors are very helpful resources to students as they work through their differences.

Learning Together Once your roommate relationship has developed past the adjustment period, you’ll find the experience of getting to know your roommate is one of the most rewarding experiences of your college years.

Residence Hall Procedures

Housing Contract A student who lives on campus signs a contract for student housing and pays an non-returnable $150 advance room fee that is applied to her account for the following year. The contract is binding for one academic year, consisting of fall and spring semesters of the same academic year. Students are responsible for meeting all terms of the contract. Any student who does not fulfill her contract is subject to a $500 fee for breaking the contract.

Check-in Procedures Each resident student must secure a key to her room and complete both a Room Condition Report and an Emergency Contact Information card. If room changes occur during the academic year, all keys must be returned and exchanged for keys to the newroom.

Check-Out Procedure

1. Make an appointment with the RA to complete room check-out.
2. Remove all belongings from the room.
3. Put all trash and recyclables in appropriate containers.
4. Clean and sweep room and bathroom and clear walls. (Do not sweep trash into the hall.)
5. Be sure all college furniture is in the room.
6. Meet with the RA for room check for cleanliness and damages.
7. Both the student and the RA sign and date the Room Condition Report.
8. Leave room key and Room Condition Report with the RA. The last occupant to check-out locks the bathroom connecting door, then locks the door to her room before turning in her Room Condition Report and key.
9. Students vacating the residence halls are expected to do so within 24 hours after terminating their housing contract. Failure to check out properly will result in a $50 improper check out fee and $60 lock and key replacement fee.

10. The room must be in the same condition it was upon arrival.

11. A student who withdraws from the college must move out within 24 hours.

**Withdrawning**
A student who is withdrawing should make an appointment with the dean of students to complete a withdrawal form. A student not planning to return to school following the semester break must remove all belongings from the residence hall before leaving for break. A student who decides not to return to school for the spring semester must remove all belongings from the residence hall prior to the date students return to campus.

**Keys**
Room keys cannot be loaned to another individual (friend, parent) for use. Only the resident may possess and use the key to her room. Keys are not to be duplicated and are to be returned when the room is vacated. Lost keys are to be reported immediately to the Office of Residence Life with a request for a lock change.

A charge will be assessed for a lock replacement and new key. The charge for a new key is $10. The charge for a new lock and two new keys is $60.

**Responsibility for Damage**
Residents will be held responsible for damage to residence hall buildings or furniture and will be charged cleaning and damage fees when they have caused damage to their own rooms or common areas.

The cost of repairs for damage of campus areas will be shared by the students responsible or, if no one takes responsibility for the damage, all resident students served by the damaged common area can be fined.

**Lock-outs**
Students should keep their doors locked and carry their keys at all times. If a student is locked out of her room, she should contact the following people accordingly: 8 a.m. – 5 p.m. A loaner key can be picked up from the Office of Residence Life, 2nd floor Park Center. There is no charge for using the loaner key if it is returned within 60 minutes. If the key is not returned, the resident can be charged $60 for a lock change and new keys. 5 p.m. – 11 p.m. Contact the RD on duty at 919-612-6350. A $10 fine can be charged for door opening. 11 p.m. – 8 a.m. Contact Campus Police at 919-760-8888.

A $10 fine may be charged each time a master key must be used to open a locked door and can be added to a student’s account. A student will be required to show her Meredith CamCard before the door will be unlocked. For repeat lock-outs a student can be charged a higher fine.

A $25 fine may be charged to open a suite bathroom door.
Residence Hall Closings
Residents are permitted to stay in the residence halls during Fall Break, Thanksgiving, Spring Break, and Easter break. During these breaks, Campus Dining (BeeHive and Belk Dining Hall) are closed. Residence halls will be closed during the time between fall and spring semesters (winter break). For safety purposes:

- Residents who do not stay on campus during breaks other than the winter break are encouraged to unplug their room belongings in case of severe weather or electrical surges. The college is not responsible for damages for items left plugged in during a campus break.
- Residence hall staff will check rooms to ensure that everything is turned off and the doors are locked.
- For assistance during a campus break during which the halls are available, contact the RD on duty at 919-612-6350 or Campus Police at 919-760-8888.
- The Residence Director on duty is not available during winter break.
- Campus Dining Service is not available during any College break.

Housing Assignments
The College reserves the right to move a student to a different room at any time if a reassignment is deemed appropriate by the director of residence life and/or the Dean of Students.

Grievance Procedures
Housing Concerns
A student who experiences a housing problem during the academic year should discuss the problem with the resident assistant responsible for her floor or the residence director responsible for her residence hall. If the problem cannot be resolved through discussion with the resident assistant or the residence director, the student may make an appointment with the director of residence life for further consideration.

Room Changes
Residence directors are available to assist students with room changes. Residents requesting a room change are required to meet first with their RD to discuss their options for changing rooms.

Students may move from one room to another with permission from the RD or the director of residence life. Students may change rooms without charge. Room changes will take place starting the 10th day of classes each semester.

In order to make a room change:

1. Obtain a Room Change Form from your RD.
2. Meet with residence life staff to discuss your request.
3. Once approved for a room change, complete and secure the signatures of all involved.
4. Move.
5. Follow the proper Check-In/Check-Out procedures as outlined earlier in this section.
6. Return former room key to RD.
7. A resident who moves and does not turn in her old room key will be billed $60 for a lock change and new keys.

Follow check out procedures for old room and check-in procedures for new room. Residents who do not follow proper room change procedures will be charged $50 for an improper check-out.

**Vacancies**
When a vacancy occurs in a double occupancy room and space allows, the Office of Residence Life has the right to assign a new roommate. A student who lives in a double room with a vacancy must keep her room available to receive a roommate at any time by leaving one dresser and one closet empty.

**Private Rooms**
First year students are not permitted to rent a double room as a private room unless approved by the Dean of Students.

Students can rent a double room as a private room for an additional fee of $750 per semester. Private rooms are granted as space allows.

A student may move into an unoccupied room if she pays the private room fee, which is an additional $750 per semester. The private room option is only available if there is space and with approval of the director of residence life. A room that is not ready for a second roommate to move into can result in a $50 fine.

If one student occupies a double occupancy room, she has the following options:

- move to another room with another student
- have another student move in with her
- pay the private room fee so that a roommate will not be assigned (prorated based on when room is made private)
- be assigned a roommate at any time a space is needed

A student with a communicable disease or who exhibits inappropriate and unacceptable community behavior may be required to move off campus.

**Insurance Claims**
The College is not responsible for the loss or damage of personal property in the residence halls. In most cases, a student’s personal property is covered under her family’s homeowners insurance. When this coverage does not apply, students should secure insurance coverage under a renter’s policy.
Residence Life Policies

Honor Council The Honor System is a long-cherished tradition and a basis for all life at Meredith. It is essential that each student commit herself to abide by and uphold Meredith’s Honor Code and system of self-government. A student violating college policies included in the “Residence Life Guide to Community Living” or the Student Handbook will be obligated to report herself to the solicitor general of the Honor Council. See detailed information about the Honor Council on the Honor System page. Ignorance of a rule or regulation shall not be accepted as a defense by the Honor Council.

Residence Hearings Committee The Residence Hearings Committee is a branch of the Honor System. The solicitor general assigns hearings to the Residence Hearings Committee. Students appealing a residence hall fine should contact the clerk of the Residence Hearings Committee. See detailed information about the Residence Hearings Committee in the Honor System section of the Student Handbook.

Alcohol and Drug Policy
The College strongly discourages illegal and irresponsible use of alcoholic beverages by Meredith students. North Carolina State law prohibits the use or possession of alcoholic beverages for persons who are under twenty-one years of age. The possession and/or consumption of alcoholic beverages on campus or in any College building is prohibited except by those of legal age in individual on-campus apartments. Any amount of alcohol possessed or consumed by persons under the age of twenty-one shall be considered “possession.” Memento bottles are not allowed in residence halls. Providing alcohol to any person who is under the age of twenty-one is illegal. A student may not attend class while under the influence of alcohol. Inappropriate or illegal behavior related to alcohol use will result in disciplinary action.

Meredith students are expected to represent the College with dignity at all times. Students who choose to possess and consume alcohol are encouraged to do so responsibly and not in a manner that would disrupt the living community or endanger themselves or others. Students shall not possess or consume intoxicants at any College-sponsored functions sponsored by Meredith students or any Meredith student organization. Students participating in any Meredith or Meredith-affiliated study abroad program are expected to follow the laws of the host country and host institution during any study abroad program. Meredith believes it essential to the well-being of students to make every effort to maintain a campus environment free of such influences as illegal drugs. In view of this belief, the Board of Trustees has articulated the following policy related to illegal drugs. The policy simply stated is as follows: Meredith College students shall not illegally manufacture, possess, sell or deliver a controlled substance or counterfeit controlled substance or possess drug paraphernalia. The terms “controlled substance” and “counterfeit controlled substance” shall be defined in accordance with the definitions set out in the North Carolina General Statutes. Any student suspected of a violation of this policy is subject to a hearing by the Honor Council of Meredith College. If found responsible, the student will be suspended or expelled in accordance with the drug policy as enunciated by the Board of Trustees. The violator is also subject to North Carolina law. Paraphernalia that tests positive for any illegal substance shall be considered possession of a drug.

Drivers deemed by campus police to be impaired will not be allowed to operate vehicles on campus. The threshold of impairment is very low (any alcohol or controlled substance previously consumed remaining in the body) for persons under the age of twenty-one. Campus Police will send a report to the
Dean of Students in the case of any student deemed to be driving while impaired. In the case of a resident student deemed to be driving while impaired, an immediate report will be made to the residence director on duty or the apartment manager.

**Smoking Policy** All residence halls at Meredith College are smoke-free environments. Out of consideration for members of the College community who choose not to smoke or whose health is negatively affected by smoke, smoking and the use of e-cigarettes or vaporizers is prohibited in all campus buildings. Smoking and the use of e-cigarettes or vaporizers is prohibited on the College campus, except in the following locations:

Smoking is permitted in the paved commuter lots (parking lots 4, 5 and 16 on the Meredith College campus map), the softball field lot (11), lot adjacent to Campus Police (12) the underclassmen lots (13 and 14), Heilman-Barefoot lot (15), the athletic field lot (18), and (the two side parking lots for The Oaks (19—note, this excludes the parking area in front of The Oaks).*

It is the responsibility of each student/faculty/staff member to inform guests of the College’s Smoking Policy.

*These locations were chosen with respect to the College campus fire safety, maintenance, and accessibility.

**Baby Sitting Policy** For health and safety reasons, baby sitting is not permitted on campus regardless of the age of the child. The residence halls and apartments are not appropriate communities for young children, especially infants, and includes children in the MAP program and the Ellen Brewer House.

**Bicycle Policy** Bicycles are to be registered with the campus police. There is no charge for this service. Bicycles are to be stored in the bike racks outside the residence halls or campus apartments unless they can be disassembled and stored in the student’s room in such a way as not to create a fire hazard or infringe on a roommate’s space. Bicycles found anywhere other than in the bike rack or in the student’s room will be impounded by campus police to be returned to the student at the end of the semester. The penalty for violation of this policy is a $15 fine.

**Married Students** Married students who meet the residence requirements may live in the Meredith residence halls under the following conditions:

- On-campus housing for a married student must be approved by the director of residence life.
- All student government regulations apply to married students according to their academic classification.
- All residence hall rules and regulations apply to married students.
- Spouses are not eligible to reside with the student.

**Residence Requirements** Campus residence halls are living/learning environments that provide supportive communities for student development. Residents are encouraged to take advantage of the opportunity for building friendships, developing interpersonal and communications skills, and participating in programs and activities that are all part of the residential living experience.
1. Campus housing is available to undergraduate degree-seeking students, including students in the Wings program.

2. Freshman and sophomore (first and second years at Meredith) students under the age of 23 (regardless of hours completed) must live in the residence halls or reside with their parents, husbands, or (with special permission) another close relative. Freshman and transfer students who enter the College over the age of 21 may apply to live off campus.

3. Continuing juniors and seniors with at least a 2.0 GPA may request to live off campus by a designated deadline in the spring semester. Along with at least a 2.0 GPA, students must have at least 60 hours or have resided four semesters in the residence halls. Transfer students who meet established eligibility requirements as stated on the transfer application for admission may apply as commuting students under the off-campus housing option.

4. Resident students must be enrolled as full-time (at least 12 hours) students while living in the halls. If a student drops below full-time, she will not be eligible to live on campus unless approved by the dean of students.

5. Students interested in housing during the summer terms must check with the Office of Residence Life for housing options and stipulations.

6. Residents are charged for room and board on their student account. All residence hall residents are required to have a meal plan. Freshmen enjoy the unlimited meal plan option. Sophomores, juniors and seniors can opt to change meal plans. All meal plans are the same price and part of room and board.

7. The cost of health services and meals in the dining hall are included in the payment for room and board. Students who live off campus must pay a health fee in order to receive services from the Health Center. Students who live off campus must pay for any meals eaten in the dining hall.

8. Students who do not meet the requirements to live off campus but choose to do so can be charged the full amount of room and board for the academic year.

9. Housing contracts are for the entire academic year.

10. Residential policies will be reviewed annually.

**Right of Entry**
Authorized college personnel, including but not limited to the Dean of Students, director of residence life, security officers, residence directors, resident assistants, and facilities staff, may enter student rooms at any and all times to assure that college policies are being upheld, to inspect, and to make such repairs to the space as the College may deem appropriate. Students will not be allowed to enter another student’s room in her absence for any reason unless the student who lives in the room has given written permission.

**Room Regulations**
- Each room will be inspected by the resident assistant before the resident moves into the room. If rooms are changed during the year, the proper check-in/check-out procedure must be followed.
- Students may not be destructive of college property when decorating rooms. They may not paint furniture, rooms, walls, or doors. (See Responsibility for Damage for more information)
- Residents are not permitted to affix or otherwise mount televisions to a wall.

The residence life staff can confiscate items found in violation of College policies. Inspectors entering a
student’s room will leave a notification of the inspection. Violations are to be corrected within two working days. Fines issued for violations will be added to a student’s account. Follow-up inspections will be conducted to determine if corrective action has been taken. Failure to correct safety violations will result in disciplinary action, and item(s) will be confiscated.

**Room Searches** Meredith reserves the right to inspect all rooms in the residence halls at any time and as often as deemed necessary. Attention will be given to maintenance, safety, health hazards, room damage, and compliance with college policies. A student will be responsible for any damage she does to college property. A residence director has the responsibility and the authority to conduct an immediate room search if she suspects alcohol, drugs, or males in a residence hall room. The College also reserves the right to conduct room searches and motor vehicle searches with reasonable suspicion of a violation of college policies. Procedures will be followed to ensure the protection of the student and her property.

If a report is made to the solicitor general of the Honor Council that one or more students are suspected of violating the Honor Code (i.e., possession of alcohol, possession of drugs, males in residence hall rooms, theft of personal property), and no specific information is given about a particular room, a warning may be given to the entire hall by the solicitor general. If there is reason to believe that a violation has previously occurred in a specific room but there is no evidence of a current violation, a personal warning may be given to the student(s) involved. If a hall warning or a personal warning is given and the problem persists, a search may be conducted.

**Theft of Personal Property** Residents who experience a theft or loss of personal property should alert Campus Police as soon as possible. Meredith is not responsible for the personal property of students. Families are encouraged to make sure that homeowner’s insurance policies cover the student’s residence hall property. If a student has evidence that another student is responsible for theft, she should immediately alert the campus police and solicitor general of the Honor Council.

Guests will be responsible for paying for all meals eaten in the dining hall. Meredith students are expected to escort their campus guests at all times while in the residence halls. Guests should carry a photo ID while visiting campus.

Residence Hall Guests
All guests are to be escorted by their Meredith host. Guests cannot be in a student’s room without the student present.

When hosting a female guest, a student should respect the rights of her roommate regarding the behavior and length of stay of the guest. Female guests should be accompanied by a Meredith student. If the guest arrives after closing hours, the student must register her with a campus security. The security guard may request identification of any guest coming in after closing hours. This permission is a privilege; therefore, male guests should not linger on the halls after they have completed the task for which they were granted permission.

been determined to be missing. If a confidential contact has been listed by the student and the student is over the age of 18, that person will be contacted. If the missing student is under the age of 18 and is not an emancipated individual, the Dean of Students or the Chief of Campus Police will notify the student’s parents or legal guardians. If the investigation indicates that a student is missing, Campus Police will file a Missing Persons Report with the Raleigh Police Department.

**FAQs**

**Can I have a car on campus and where do I park?** At the beginning of each semester, any student may bring a car on campus by signing the appropriate agreement, paying the parking permit fee, and displaying the numbered decal on the car. Decals must be affixed permanently with the decal’s adhesive to the rear bumper or rear window of the car. Decals may not be taped to the rear window or bumper. Adequate parking is provided for all those who qualify. Detailed parking information and regulations are in the College Policies and Regulations section of the Student Handbook.

**What is a CamCard?** All Meredith students are required to have and carry a Meredith picture identification card called the CamCard. CamCards are required of all individuals in order to checkout library materials, for student access to residence halls, and for general identification purposes around the campus. Resident students must use the CamCard for Meredith dining services. Camcards are made in the Campus Police Office. Detailed information on CamCard use policies can be found in the College Policies and Regulations section of the Student Handbook.
What if I need health services? The Health Center staff provides clinical care for minor illnesses, health education, emergency care, health protection, and disease prevention services for students. Services are maintained under the direction of the director of health services and the college physician. A student health form, furnished by the College, must be completed and all immunizations documented and updated, if needed, prior to enrollment. Detailed information on health services and health policies are in the Student Handbook. Health fees, which are included in the residence fees, cover the costs of most services. Residents of The Oaks Apartments and commuter students must pay the Health Center fee, $100 per semester, to receive services at the Health Center.

What is Meredith Beach? Meredith Beach is the area surrounded by Faircloth, Brewer, Heilman, and Barefoot residence halls and is the only campus sunbathing area. The sunbathing area is restricted to women only.

How do I respond if a person comes to my residence hall door selling or soliciting? Members of the Meredith community enjoy protection of their rights of privacy. Solicitation by persons, organizations, or businesses is strictly prohibited unless authorized by the vice president for college programs or by the director of student leadership and service. Any use of College facilities by off-campus persons for purposes of solicitation, even those sponsored by campus organizations, must also be approved. Under no circumstances are off-campus persons allowed to solicit door-to-door. Any religious organization requesting to give a program or presentation is to be referred to the campus chaplain for approval.
