There is no fee to customers of Wells Fargo Bank, although a small fee will apply to customers of other banks who use the Plus or Relay network to access their accounts. The lobby of Cate Center is open from 6 a.m. until midnight.

Bulletin Boards and Publicity
Bulletin boards in Cate Center provide a communication center where campus offices and organizations post information about programs, projects, and meeting times. Each group using a bulletin board is responsible for posting its own announcements, and each publicity item should be stamped and approved by the Office of Student Leadership and Service. Individuals may use the bulletin boards on the first and second floors of the Cate Center to post information as long as they have the items stamped for approval. To provide adequate space for each group, all announcements are recommended to be posted no more than two weeks prior to the event, and all posted items must be removed by the sponsoring group within three days following the program. Unapproved announcements will be removed.
No publicity may be placed on outside doors of residence halls, on the doors of other campus buildings (including the dining hall), or on inside or outside walls. Only banners are allowed in breezeway areas if they are laminated and hung by string. Each residence hall has a designated bulletin board where fliers pertaining to campus events can be posted by the Resident Assistant. Upon receiving approval from the Office of Student Leadership and Service, students must drop off 28 copies to the Residence Director mailboxes in the Office of Residence Life.

In the on-campus apartments, students are able to post one flyer in the mail room. If a student wants to place fliers in each mailbox, she should use quarter sheets and provide one per apartment. The student must consult the Apartment Manager to set up a time to place the fliers in the mailboxes. Fliers are not allowed in stairwells, in elevators, or on doors within the building.

Approval for posting announcements in Cate Center of non–Meredith College events must be secured from the Office of Student Leadership and Service prior to posting. Approval for posting announcements in residence halls must be secured by the Residence Director in each hall or the director of residence life prior to posting. Unapproved announcements will be removed.

All announcements/fliers must identify the sponsoring organization and/or a contact person. Meredith College reserves the right to deny permission to post publicity from any group that is not in accord with the philosophy of the college. For additional publicity locations and contact persons, contact the Office of Student Leadership and Service. Sisters United is a student group that supports vulnerable girls. Local efforts focus on anti-human trafficking through a support of local agency providers that serve human trafficking victims, as well as, educating the wider community on issues that impact this vulnerable population.

Students seeking a place of worship in the Raleigh community may contact the Chaplain for assistance. Information is available for all faith traditions. Students are invited to make use of the Jones Chapel Meditation Room and Reading Room, as well as visit one-on-one with the Chaplain socially or confidentially. All are welcome.

Meredith College values the health and welfare of its students. To serve the health needs of our student community, Meredith requires health insurance as a condition of enrollment for all full-time undergraduate (12 credit hours or more), licensure only, pre-health, international, Sansepolcro students, and dietetic interns to assure that students have access to health care services beyond what is available on campus. All of the aforementioned students must take action in the insurance portal by Wednesday, September 12, 2018 at 5:00 p.m. EDT.

If you have health insurance and wish to opt out of the plan that Meredith College offers, complete the waiver at meredith.edu/health. You will receive an email confirmation in 1-3 business days. If you are enrolling in spring, the spring waiver will be available starting in mid-November; see meredith.edu/health for more details.

Students who do not have health insurance may purchase a health insurance policy and complete the waiver at meredith.edu/health. You can find your own policy through the healthcare exchange (healthcare.gov) or enroll in Meredith’s BlueCross Blue Shield of North Carolina (BCBS-NC) plan (meredith.edu/health). The waiver will be available starting in June. The waiver form needs to be completed by Wednesday, September 12, 2018 at 5:00 p.m. EDT or your account will automatically be charged for the insurance plan Meredith is offering.

Inclement Weather
If the College is closed and classes are cancelled or delayed because of inclement weather, the College will submit announcements to local radio and television stations and send announcements via MC ALERT. To receive MC Alert notifications, sign-up is required. Go to: http://www.meredith.edu/about_meredith/emergency_planning/mc_alert

When the College has not elected to cancel classes, individual professors have the option of canceling their
classes. Professors will have inclement weather and class cancellation information on their syllabi. Student organizations should consider canceling organization meetings or activities in conjunction with the cancellation of classes.

In the event of college-wide class cancellations or those made by individual instructors, students should periodically check MyMeredith class listings for postings about alternate arrangements for classwork, tests, and the like.

Several dates in the calendar are reserved for potential inclement weather make-up classes. In the event that Meredith has a delay or closing, a decision will be made about whether to make up one or more class periods that were missed. If the decision is made to do so, a campus-wide notification will be sent through Meredith email alerting students and announcing which class period(s) will be made up and which day and time.

Use Meredith’s official Facebook page and Twitter feed as additional sources of weather-related information:

Residence Life
Heidi LeCount, Director, 919-760-8633 8 a.m.–5 p.m. (M–F)

Resident students at Meredith enjoy many opportunities while living on campus. Enjoyment of these opportunities depends upon personal involvement as well as personal commitment to the welfare and needs of those living together in a community. Each resident must take personal responsibility to abide by the rules and regulations so that the group as a whole can function effectively and benefit from the creative interaction of residence hall community living. The residence life staff provides a program of student services designed to enrich the quality of life of Meredith students. The residence life staff includes the director of residence life, residence life administrative assistant, residence directors, apartment manager, resident assistants, Oaks Community Assistants, staff and residence hall representatives.

Residence Directors
Residence Directors are professional staff members in the Division of College Programs who live in apartments in the residence halls on campus. They perform a variety of duties on campus, working through the Office of Residence Life, as well as being available to assist any student with questions or problems. Residence directors supervise the work of resident assistants and serve as a resource to all campus students.

Resident Assistants
Resident assistants are current students who live on each floor of a residence hall, are supervised by the residence director of their residence hall, and serve as her assistants. Resident Assistants are part of the staff of the Office of Residence Life and receive financial compensation.

Apartment Staff
One full-time Apartment Manager lives in the apartments and oversees the operation of the apartments and Community Assistants. There are four Community Assistants who work in the Oaks.

Network Services
This group focuses on the telecommunications infrastructure (data, voice and video) and wireless infrastructure of the college

Technical Operations
This group provides 24/7/365 technical support for Meredith students, faculty and staff, coordinates departmental technology requests and incorporates the Help Desk (extension 2323, off campus call 919-760-2323) and Desktop Support staff. Questions about computer labs, email accounts, and connecting to the campus network should be addressed to the Help Desk. This group is also responsible for the campus Print & Copy Center and campus Postal Services.

Instructional Design and Academic Technology
This group focuses on the use of Blackboard as an instructional tool, offers consulting and training for the suite of the College’s standard software packages and also offers an expanded variety of web-based initiatives.

Information System Services
This group is responsible for the administration and maintenance of the college’s core information systems, as well as the server infrastructure of the college. The functionality of the College’s database and Informer reports are supported by this group. This group also focuses on the technical systems administration of the college’s core file servers and administration of our e-mail system.

Services provided by the Technology Services department include:
  • Maintaining all components—both wired and wireless, and telephones, of the campus network
  • Providing e-mail accounts to all members of the college community
  • Providing Blackboard system accounts
CamNet Responsible Computing Policy
This document sets forth the CamNet Use Policy for Meredith College. Please read it—you are responsible for knowing and following these policies. All students, faculty and staff are responsible for using Meredith’s computing resources in an effective, ethical, moral and legal manner.

Purpose
Technology Services has responsibility for providing voice and data support services to Meredith College. In terms of systems, Technology Services is responsible for telecommunications, administrative computing, and academic computing. Computers and networks provide access to resources on and off the campus, as well as the ability to communicate with other users worldwide. Such access is a privilege and requires the user act responsibly.

Users must respect the rights of other users, respect the integrity of the systems and observe all relevant laws, regulations and obligations. All existing laws, federal and state and college regulations and policies apply. Illegal reproduction of software protected by US Copyright Law is subject to civil and criminal penalties including fines and imprisonment. The practice of unauthorized downloading and file sharing runs counter to the college’s commitment to integrity. Use of illegally copied software is a violation of federal law as detailed in the Digital Millennium Copyright Act (Title 17 United States Code). The introduction of software programs that enable the sharing of illegal files over the college’s network often introduce adware, spyware, worms and viruses that adversely affect the performance of the individual’s computer; infect and even damage the college’s network resources requiring costly time consuming repair efforts; and deny the use of these electronic resources to others in the college community. A student who has obtained unauthorized software is encouraged to bring her computer to the Technology Services department for assistance in deleting unauthorized software. If the College receives an Infringement Notification showing that a computer belonging to the college network has been illegally downloading and sharing digital music, movies, or game files, Meredith College will comply with the request to remove the specified files.

When a student is notified that her computer has been identified in an “Infringement Notification,” she will first be given a warning and assistance by the Technology Services department in deleting unauthorized software from her computer.

If a student, after receiving a warning, again violates copyright law, she will be referred to the Honor Council for further action.

Misuse of computing, networking, or information resources may result in the loss of computing privileges. Certain infringements may lead to prosecution under the applicable statutes. Users will be held accountable for their conduct under applicable College policies. Complaints alleging misuse should be directed to Chief Information Officer, Technology Services, Meredith College, by sending an e-mail to cio@meredith.edu.

Use of College-Owned Resources
The following policies apply to all College-owned technology resources provided for use by the Meredith
College Community—faculty, staff and students. The intent is to give an overview of acceptable and unacceptable uses. This document is not to be considered as an exhaustive enumeration of all uses and misuses.

**Acceptable Use**

- Consistent with the mission of the college
- For the purpose of and in support of education and research
- By students, faculty and staff who have been trained, have a current network account and a valid password

**Unacceptable Use**

- Unauthorized copying of copyrighted material
- Destruction of or damage to the equipment, software or data belonging to the college and/or other users
- Use of computers or network that violates federal, state or local laws or statutes
- Providing, assisting in or gaining unauthorized or inappropriate access to Meredith’s computing resources
- Activities that interfere with the ability of others to use resources effectively
- Activities that result in the loss of another person’s work/data or unauthorized access to another person’s work/data.

**Volunteer Services**

Catie Trimble McAnulty, Assistant Director, Office of Student Leadership and Service, 919-760-8338

The Office of Student Leadership and Service offers service opportunities for all members of the College who are committed to affecting change through civic engagement within the local community, the state, the nation and the world. We coordinate one-time service events on campus, connect students with outside agencies, and provide ongoing service opportunities through in-house volunteer programs. Through advocacy and meaningful service experiences students, faculty, and staff learn about themselves and the world around them.

A student may make a commitment to a community service organization, participate in a focused service event on campus or in the surrounding community, create her own service project, participate in Meredith Kitchens, or volunteer for a service trip. These service experiences support the College mission by creating an engaged campus and challenging students to become active learners and responsible citizens.
