Essay Questions

1. What is motivating you to apply for a study abroad scholarship?

2. Please provide an explanation of your reasons for wanting to study abroad and what motivated you to select your particular program.

3. How does study abroad (and your program in particular) align with your academic goals?

4. Describe your long-term career goals. How will study abroad positively impact your future professional life?

5. Describe a challenge or conflict you've faced at school, work or in your personal life and how you dealt with it. How will your experience with overcoming challenges prepare you for studying abroad?

6. Provide an assessment of yourself as a positive representative of Meredith College.

7. How would you use your study abroad experience to benefit others?

8. Optional Financial Need Question

Meredith College awards travel scholarships based on merit and/or financial need. If you would like to be considered for a need-based award, provide an explanation of your financial need:

1. Please describe your financial need.
2. Include information about other scholarships to which you are applying or other sources of funding that have been either sought and/or granted.
3. Provide a budget outlining your program costs, estimated additional expenses and sources of funding.
