2019-20 Certification of Taxable Grant/Scholarship Aid

		XXX-XX-
Last Name	First Name	last 4 digits of student's SSN

On your 2019-20 FAFSA, you or a parent have reported an amount in “**taxable student grant and scholarship aid as reported to the IRS in your Adjusted Gross Income on your Federal tax return**”. You should only report an amount in this question **IF** you were required to list grant or scholarship aid on a federal tax return. (Typically, this is reported on the front page of the 1040 as INCOME). **Please look at your 2017 federal tax return to see if you reported grant aid as income, and paid taxes on that amount.**

Please check the box that applies:

- The student or the parent did not report any grant or scholarship aid on a tax return and I/we mistakenly reported this information on the FAFSA. (The Financial Assistance Office will correct the information on your FAFSA for you).

- Student reported \$ _____ in taxable grant or scholarship aid on a federal tax return.
(Please supply a copy of the 2017 federal tax return to verify this).

- Parent reported \$ _____ in taxable grant or scholarship aid on a federal tax return.
(Please supply a copy of the 2017 federal tax return to verify this.)
