Mission Statement
In response to the ever-changing needs of college students, the residence life staff provides a program of student services designed to enrich the quality of life of Meredith students. By offering programming and counseling, maintaining safety, and intervening in crisis situations, we provide an environment conducive to student success at Meredith.

Philosophy
The philosophy of the residence life staff is one that recognizes and affirms the unique worth of each student and her potential for growth. To enhance and supplement the classroom experience, the residence life staff promotes activities, programming and community building that contribute to the holistic development of the student. The residential setting, as a living & learning dimension of campus life, is perhaps the single most important synthesis of classroom learning and college experience and activity.

A commitment to the living & learning environment provides the motivation for community building that
serves students and provides opportunities for intellectual, physical, social, emotional, spiritual, and professional growth. The Residents Housing Association provides the structure for the governance of residence halls and apartments and is instrumental in planning and monitoring campus communications as well as special housing and campus programming. Residence representatives, Resident Assistants (RAs), and Residence Directors (RDs) assess and respond to the particular interests and needs of their students and provide interesting, challenging, informative, and entertaining programs and events. The residence life staff provides a program of student services designed to enrich the quality of life of Meredith students.

We’re Here to Help
Resident students at Meredith enjoy many opportunities while living on campus. Enjoyment of these opportunities depends upon personal involvement as well as personal commitment to the welfare and needs of residents living in a community. Each resident must take personal responsibility to abide by the rules and regulations, so the group as a whole can function effectively and benefit from the creative interaction of campus living.

The residence life staff provides a program of student services designed to enrich the quality of life for Meredith students. The residence life staff includes the director of residence life, residence life administrative assistant, residence directors, apartment manager, resident assistants, community assistants and the Residents Housing Association.

Director of Residence Life: Heidi LeCount, 219 Park, 919-760-8633 or reslife@meredith.edu.

Residence Directors
Residence directors are full-time staff members who live in the residence halls on campus. RDs are trained in the areas of student development, crisis intervention and counseling skills as well as how to assist students with social, emotional, and academic concerns. They perform a variety of duties on campus, work through the Office of Residence Life, and are available to assist students with questions or concerns. Residence directors supervise the resident assistants of the building and serve as a resource to their residents and students on campus. Emergencies should be reported immediately to the residence director on duty, who maintains contact with security.

If you need to contact the Residence Director on Duty for an emergency, call the cell phone at 919-612-6350 (leave voice mail message if there is no answer).

Residence Directors’ Phone Numbers:
Vann and Stringfield Halls, Kayla Quinn, 919-760-8870
Brewer Hall, April Snowden, 919-760-8502
Poteat Hall, Savannah Smith, 919-760-8528
Faircloth Hall, Heather Harrison, 919-760-8503
Heilman Hall, Jessica Sharpe, 919-760-8027

Resident Assistants
Resident assistants are student staff who live on each floor of the residence halls. They are supervised by the residence director of the building. Primary responsibilities include:

- To be accessible to the residents on her hall for assistance and guidance.
- To uphold and enforce the Honor Code.
- To encourage student participation in campus activities.
- To facilitate campus communication.
- To create a positive living & learning environment on her floor, which will enhance and facilitate maximum community interaction and encourage accelerated personal growth.

Resident assistants are chosen in the spring by the residence life staff for the following academic year. Selection follows an in-depth application process which includes a formal written application, recommendations from two references, an interview and group process activities. Resident assistants are part of the staff of the Office of Residence Life and receive financial compensation through a monthly stipend.

**Getting Involved in Your Residence Hall**

**Hall Meetings**

Freshman hall meetings are held during the week of freshman orientation and several times throughout the year. Upperclass hall meetings are held during each semester as necessary. Hall meetings are used as times to discuss community issues, upcoming programs, and other campus information. Attendance is required at all hall meetings. Residents who are not in attendance for a hall meeting will meet individually with their RD.

The staff of each residence hall sponsors a variety of social, cultural, educational, recreational, and community service programs and activities. At the beginning of the year, your RA will ask for suggestions about the types of programs and activities that interest you.

Getting involved in the programs and activities that occur in your building will help you to learn about yourself, your community, and the world around you!

Personalizing Your Space

Each resident is provided a standard size twin bed, dresser, desk, chair and closet. Some students coordinate bedding and discuss color schemes with their roommates before even setting foot into their room of bare walls and stripped beds. Others let the room evolve. All students find a way to make their room a home away from home for themselves. Decorating a residence hall room can be one of the most creative “budget” efforts a student ever undertakes. The key to residence hall decorating is learning to incorporate existing furniture with flexible items you add like carpet or free-standing shelves. Posters and personal knick knacks can warm up your room. Just remember to keep it safe (no candles or possessions that are fire hazards—see Fire Emergency Procedures for complete fire hazard information) and keep it temporary (you’ll have to leave the room as you found it). Have fun!

All furniture provided in each room is required to stay in the room. The college does not provide furniture storage. Furniture cannot be removed from a room. Residents will be fined for missing furniture.

Roommates

Students will tell you that some of the biggest unfounded fears about college relate to having a roommate. It is true that it is rare for roommates to agree on everything, however, when roommates take the time to learn about each other and to talk about each other’s likes and dislikes, they quickly pave the way for positive living experiences. It helps to begin thinking about how you can be a good roommate to someone else. Here are some tips about being a good roommate:

- Communicate – have open lines of communication
- Be open and friendly – respect other residents on in your building
- Set boundaries – determine how you will share items
- Be understanding – everyone can have a bad day!
- Respect privacy – allow opportunities for personal care
- Ask before you borrow – ask for permission before using others’ items
- Resolve conflicts – communicate early, don’t let things linger

Remember: Give your roommate the courtesy of speaking directly about any problem before she hears it from someone else.

Roommate Agreement

Each pair of freshman roommates will complete a roommate agreement during their first few weeks together as roommates. This Roommate Agreement should be helpful to students as they negotiate the guidelines they want to follow in their roommate relationships.

Roommate Bill of Rights and Responsibilities

As a Meredith College residence hall community member, following are the rights you can expect and have a responsibility to maintain.

- The right to read and study free from undue interference in one’s room (unreasonable noise and other distractions inhibit the exercise of this right).
- The right to sleep without undue disturbance from noise, guests of a roommate, etc.
- The right to expect that a roommate will respect one’s personal belongings.
- The right to a clean and safe environment in which to live.
• The right to free access to one’s room and bathroom without pressure from a roommate.
• The right to responsible personal privacy.
• The right to address grievances. Residence hall staff are available for assisting in settling conflicts.
• The right to be free from fear of physical and/or emotional intimidation.

**How to Make It Work**

Once students have talked about each other’s likes and dislikes, they will read through the Roommate Agreement and complete the form. Remember, you should talk to your roommate if something is bothering you. The sooner you talk about it, the sooner the concern is talked about, the sooner it can be resolved. Resident Assistants and Residence Directors are very helpful resources to students as they work through their differences.

**Learning Together**

Once your roommate relationship has developed past the adjustment period, you’ll find that getting to know your roommate is one of the most rewarding experiences of your college years.

**Residence Hall Procedures**

**Housing Contract**

A student who lives on campus signs a contract for student housing and pays a non-returnable, non-returnable $150 Advance Room Fee that is applied to her account for the following year. The contract is binding for one academic year, consisting of fall and spring semesters of the same academic year. Students are responsible for meeting all terms of the contract. Any student who does not fulfill her contract is subject to a $500 fee for breaking the contract.

**Check-in Procedures**

Each resident student must secure a key to her room and complete both a Room Condition Report and an Emergency Contact Information form. If room changes occur during the academic year, all keys must be returned and exchanged for keys to the new room.

**Check-Out Procedure**

1. Make an appointment with the RA to complete room check-out.
2. Remove all belongings from the room.
3. Put all trash and recyclables in appropriate containers.
4. Clean and sweep room and bathroom and clear walls (do not sweep trash into the hall).
5. Be sure all college furniture is in the room.
6. Meet with the RA for room check for cleanliness and damages.
7. Both the student and the RA sign and date the Room Condition Report.
8. Leave room key and Room Condition Report with the RA. The last occupant to check-out locks the bathroom connecting door, then locks the door to her room before turning in her Room Condition Report and key.
9. Students vacating the residence halls must do so within 24 hours after terminating their housing contract. Failure to check out properly will result in a $50 improper check out fee and $60 lock and key replacement fee.
10. The room must be in the same condition it was upon arrival. Fines can be issued to residents who do not leave their room in an acceptable condition.
11. A student who withdraws from the college must move out within 24 hours.
Withdrawing
A student who is withdrawing should make an appointment or walk in the office of the Dean of Students to complete a withdrawal form. A student not planning to return to school following the semester break must remove all belongings from the residence hall before leaving for break. A student who decides not to return to school for the spring semester must remove all belongings from the residence hall prior to the date students return to campus.

A resident who withdraws from the college must move out within 24 hours.

Keys
Room keys cannot be loaned to another individual (friend, parent) for use at any time. Only the resident may possess and use the key to her room. Keys are not to be duplicated and are to be returned when the room is vacated. Lost keys are to be reported immediately to the Office of Residence Life with a request for a lock change.

A charge will be assessed for a lock replacement and new key. The charge for a new key is $10. The charge for a new lock and two new keys is $60.

Responsibility for Damage
Residents will be held responsible for damage to residence hall buildings or furniture and will be charged cleaning and damage fees when they have caused damage to their own rooms or common areas.

The cost of repairs for damage of campus areas will be shared by the students responsible or, if no one takes responsibility for the damage, all resident students served by the damaged common area can be fined.

Lock-outs
Students should keep their doors locked and carry their keys at all times. If a student is locked out of her room, she should contact the following people accordingly:

- 8 a.m. – 5 p.m. A loaner key can be picked up from the Office of Residence Life, 2nd floor Park Center. There is no charge for using the loaner key if it is returned within 60 minutes. If the key is not returned, the resident can be charged $60 for a lock change and new keys.
- 5 p.m. – 11 p.m. Contact the RD on Duty at 919-612-6350. A $10 fine will be charged for door opening. For bathroom lock-outs, suitemate(s) will be fined.
- 11 p.m. – 8 a.m. Contact Campus Police at 919-760-8888.

A $10 fine will be charged each time a master key must be used to open a locked door which will be added to a student's account. A student will be required to show her Meredith CamCard before the door will be unlocked. For repeat lock-outs a student can be charged a higher fine.

A $10 fine may be charged to open a suite bathroom door.

Residence Hall Closings Over Breaks
Residents are permitted to stay in the residence halls during Fall Break, Thanksgiving, Spring Break, and Easter break. During these breaks, Campus Dining (BeeHive and Belk Dining Hall) are closed while the residence halls remain open. Residence halls will be closed for winter break during the time between fall
and spring semesters meaning residents are unable to access their rooms. For safety purposes:

- Residents who do not stay on campus during breaks other than the winter break are encouraged to unplug their room belongings in case of severe weather or electrical surges. The college is not responsible for damages for items left plugged in during a campus break.
- Residence hall staff will check rooms to ensure that everything is turned off and the doors are locked.
- For assistance during a campus break during which the halls are available, contact the RD on duty at 919-612-6350 or Campus Police at 919-760-8888.
- The Residence Director on Duty is not available during winter break.
- Campus Dining Service is not available during any College break.

Housing Assignments
The College reserves the right to move a student to a different room at any time if a reassignment is deemed appropriate by the director of residence life and/or the dean of students.

Grievance Procedures for Housing Concerns
A student who experiences a housing problem during the academic year should discuss the problem with the resident assistant responsible for her floor or the residence director responsible for her residence hall. If the problem cannot be resolved through discussion with the resident assistant or the residence director, the student may make an appointment with the residence director of her building for further consideration.

Roommate Communication
If a student is having issues with her roommate, she is strongly encouraged to discuss with her roommate her concerns in a direct, civil, and respectful manner. Use these tips for productive civil communication:

1. Listen to understand.
2. Be aware of your own biases and assumptions.
3. Speak from your own unique experience.
5. Talk about ideas, not people.
6. Words matter ~ be careful how you use them!

Residence Life staff is also available to assist with roommate mediations.

Room Changes
If warranted, residence directors are available to assist students with room change requests. Residents requesting a room change are required to meet with their RD to discuss their request and options for changing rooms.

Students may move from one room to another with permission from their RD or the RD of the building requested building. Students who are approved may change rooms without charge. Room changes can be requested starting the 10th day of classes each semester.
In order to make a room change:

1. Meet with residence life staff to discuss your request and to obtain a Room Change Form.
2. Once approved for a room change, complete and secure the signatures of all involved.
3. Move from your former room to your future room.
4. Follow the proper Check-In/Check-Out procedures as outlined earlier in this section and either meet with an RA or do Express Check-Out.
5. Return former room key to RD.
6. A resident who moves and does not turn in her old room key will be billed $60 for a lock change and new keys.

Follow check out procedures for old room and check-in procedures for new room. Residents who do not follow proper room change procedures will be charged $50 for an improper check-out.

**Private Rooms**

First year students are not permitted to rent a double room as a private room unless approved by the Dean of Students.

Sophomores, juniors, and seniors can rent a double room as a private room for an additional fee of $750 per semester. Private rooms are granted as space allows.

A student may move into an unoccupied room if she pays the private room fee, which is an additional $750 per semester. The private room option is only available if there is space and with approval of the director of residence life. A room that is not ready for a second roommate to move into can result in a $50 fine.

If one student occupies a double occupancy room, she has the following options:

- move to another room with another student
- have another student move in with her
- pay the private room fee so that a roommate will not be assigned (not available for freshmen)
- be randomly assigned a roommate at any time a space is needed

A student with a communicable disease or who exhibits inappropriate and unacceptable community behavior may be required to move off campus.

**Vacancies**

When a vacancy occurs in a double occupancy room and space allows, the Office of Residence Life has the right to assign a new roommate at any time. A student who lives in a double room with a vacancy must keep her room available to receive a roommate at any time by leaving one dresser, desk, bed, and closet empty. First year students are not permitted to rent a double room as a private room unless approved by the Dean of Students.

A room that is not ready for a second roommate to move into can result in a $50 fine to the resident.

**Insurance Claims**

The College is not responsible for the loss or damage of personal property in the residence halls. In most cases, a student’s personal property is covered under her family’s homeowners insurance. When this
coverage does not apply, students should secure insurance coverage under a renter’s policy.

**Residence Life Policies**

**Honor Council**

The Honor System is a long-cherished tradition and a basis for all life at Meredith. It is essential that each student commit herself to abide by and uphold Meredith’s Honor Code and system of self-government. A student violating college policies included in the “Residence Life Guide to Community Living” or the *Student Handbook* will be obligated to report herself to the solicitor general of the Honor Council. See detailed information about the Honor Council on the Honor System page. Ignorance of a rule or regulation shall not be accepted as a defense by the Honor Council as every student is responsible for understanding the Honor Code.

**Residence Hearings Committee**

The Residence Hearings Committee is a branch of the Honor System. The solicitor general assigns hearings to the Residence Hearings Committee. Students appealing a residence hall fine should contact the clerk of the Residence Hearings Committee. See detailed information about the Residence Hearings Committee in the Honor System section of the *Student Handbook*.

**Alcohol and Other Drugs**

The College strongly discourages illegal and irresponsible use of alcoholic beverages by Meredith students. North Carolina State law prohibits the use or possession of alcoholic beverages for persons who are under twenty-one years of age. The possession and/or consumption of alcoholic beverages on campus or in any College building is prohibited except by those of legal age in individual on-campus apartments. Any amount of alcohol possessed or consumed by persons under the age of twenty-one shall be considered “possession.” Memento bottles (empty wine or beer bottles, etc.) are not allowed in residence halls. Wine and shot glasses are permitted. Providing alcohol to any person who is under the age of twenty-one is illegal. A student may not attend class while under the influence of alcohol.

Inappropriate or illegal behavior related to alcohol use will result in disciplinary action. Meredith students are expected to represent the College with dignity at all times. Students who are of legal drinking age and choose to possess and consume alcohol are encouraged to do so responsibly and not in a manner that would disrupt the living community or endanger themselves or others.

Students shall not possess or consume intoxicants at any College-sponsored functions sponsored by Meredith students or any Meredith student organization. Students participating in any Meredith or Meredith-affiliated study abroad program are expected to follow the laws of the host country and host institution during any study abroad program.

Meredith believes it essential to the well-being of students to make every effort to maintain a campus environment free of such influences as illegal drugs. In view of this belief, the Board of Trustees has articulated the following policy related to illegal drugs. The policy simply stated is as follows: Meredith College students shall not illegally manufacture, possess, sell or deliver a controlled substance or counterfeit controlled substance or possess drug paraphernalia. Paraphernalia, as defined by the North Carolina General Statutes [https://www.ncleg.net/EnactedLegislation/Statutes/HTML/ByArticle/Chapter_90/Article_5B.html](https://www.ncleg.net/EnactedLegislation/Statutes/HTML/ByArticle/Chapter_90/Article_5B.html), shall be considered possession of a drug. The abuse or misuse of any prescription drug by any student also is prohibited. Abuse and misuse of prescription drugs includes taking medication in ways other than prescribed, and/or providing or selling prescription drugs. The terms “controlled substance” and “counterfeit controlled substance” shall be defined in accordance with the definitions set out in the North
Any student suspected of a violation of this policy is subject to a hearing by the Meredith College Honor Council. If found responsible, the student will receive sanctions – both punitive and educational. Depending upon the nature and severity of the violation, punitive sanctions may range from probation to suspension, delay of graduation, or expulsion. In addition to a punitive sanction, appropriate educational and counseling sanctions will be levied. The violator may also be subject to North Carolina law. Drivers deemed by campus police to be impaired will not be allowed to operate vehicles on campus. The threshold of impairment is very low (any alcohol or controlled substance previously consumed remaining in the body) for persons under the age of twenty-one. Campus Police will send a report to the Dean of Students in the case of any student deemed to be driving while impaired. In the case of a resident student deemed to be driving while impaired, an immediate report will be made to the residence director on duty or the apartment manager.

**Animals and Pets**

**Service Animals**

Service Animals are highly trained to perform specific tasks that create equal access to the College for individuals with disabilities. Service Animals are allowed everywhere the student goes on campus.

**Emotional Support Animals**

Emotional Support Animals (ESAs) do not have any formal training and provide passive support to individuals with disabilities. Students requesting an ESA accommodation must contact Meredith College Disability Services, submit documentation of the disability, and follow the established procedures for ESA requests.

ESAs may not be brought to campus prior to official approval by Disability Services. Unapproved ESAs in on-campus housing will result in a $50/day fine and referral to the Dean of Students. Even if the individual with a disability establishes necessity for an ESA and it is allowed in on-campus housing under the Fair Housing Act (FHA), the ESA is not permitted in other areas of the College (e.g. dining facilities, libraries, academic buildings, athletic buildings and facilities, classrooms, labs, offices, common areas in residence halls, etc.).

The College reserves the right to order removal of any Service Animal or ESA if (1) the animal creates an unmanageable disturbance or interference with the college community, (2) the animal poses a direct threat to the health or safety of others or causes substantial property damage, or (3) the animal’s presence results in a fundamental alteration of a College program. For more information, visit the Meredith College Emotional Support Animal Policy and Agreement page.

**Pets**

Residence hall residents are not permitted to house, host or otherwise have a pet in their room including pet-sitting for family members or pay.

Resident students are permitted to have fish as pets in a maximum 10-gallon tank.
Smoking Policy
All residence halls at Meredith College are a smoke-free environment including balconies and breezeways. Individuals who smoke must do so outside in designated areas, which are outlined in the College Policies section of the Student Handbook. If an individual is found to be smoking inside (including e-cigarettes and vaporizing), the action will result in the resident being referred to the Residents Hearings Committee for disciplinary action. See College Policies for more information on the smoking policy.

Baby Sitting Policy
For health and safety reasons, baby sitting is not permitted on campus regardless of the age of the child. The residence halls and apartments are not appropriate communities for young children, especially infants, and includes children in the MAP program and the Ellen Brewer House.

Bicycle Policy
Bicycles are to be registered with the campus police. There is no charge for this service. Bicycles are to be stored in the bike racks outside the residence halls or campus apartments unless they can be disassembled and stored in the student’s room in such a way as not to create a fire hazard or infringe on a roommate’s space. The penalty for violation of this policy is a $15 fine.

Married Students
Married students who meet the residence requirements may live in the Meredith residence halls under the following conditions:

- On-campus housing for a married student must be approved by the director of residence life.
- All student government regulations apply to married students according to their academic classification.
- All residence hall rules and regulations apply to married students.
- Spouses are not eligible to reside with the student.

Residence Requirements
Campus residence halls are living & learning environments that provide supportive communities for student development. Residents are encouraged to take advantage of the opportunity for building friendships, developing interpersonal and communications skills, and participating in programs and activities that are all part of the residential living experience.

1. Campus housing is available to undergraduate degree-seeking students, including students in the Wings program.
2. Freshman and sophomore (first and second years at Meredith) students under the age of 21 (regardless of hours completed) must live in the residence halls or reside off campus with their parents, spouses, or (with special permission) another close relative. Freshman and transfer students who enter the College over the age of 21 may apply to live off campus.
3. Continuing juniors and seniors with at least a 2.0 GPA may request to live off campus by a designated deadline in the spring semester. Along with at least a 2.0 GPA, students must have at least 60 hours or have resided four semesters in the residence halls. Transfer students who meet established eligibility requirements as stated on the transfer application for admission may apply as commuting students under the off-campus housing option.
4. Resident students must be enrolled as full-time (at least 12 hours) students while living in the residence halls. If a student drops below full-time, she will not be eligible to live on campus unless approved by the Dean of Students.
5. Students interested in housing in The Oaks apartments during the summer terms must check with the Office of Residence Life for housing options and stipulations.

6. Residents are charged for room and board on their student account. All residence hall residents are required to have a meal plan. Freshmen enjoy the all-access meal plan option. Sophomores, juniors and seniors can opt to change meal plans. All meal plans are the same price and part of the room and board fees. For more information, contact campus dining.

7. The cost of health services and meals in the dining hall are included in the payment for room and board for the residence halls. Oaks residents pay a Health Center fee. Meal plan information for Oaks residents can be found on the campus dining web site.

8. Students who do not meet the requirements to live off campus but choose to do so can be charged the full amount of room and board for the academic year.

9. Housing contracts are for the entire academic year.

10. Residential policies will be reviewed annually.

**Right of Entry**

Authorized college personnel, including but not limited to the dean of students, director of residence life, security officers, residence directors, resident assistants, and facilities staff, may enter student rooms at any and all times to assure that college policies are being upheld, to inspect, and to make such repairs to the space as the College may deem appropriate. Students will not be allowed to enter another student’s room in her absence.

**Room Regulations**

- Each room will be inspected by the resident assistant before the resident moves into the room. If rooms are changed during the year, the proper check-in/check-out procedure must be followed.
- Students may not be destructive of college property when decorating rooms. They may not paint furniture, rooms, walls, or doors (see Responsibility for Damage for more information).
- Residents are not permitted to affix or otherwise mount televisions to a wall.
- For health reasons, all dishes should be properly cleaned after use. No dirty dishes should be left in kitchens. Dishes and glasses are not to be removed from the dining hall.
- All cooking must be done in the residence hall kitchens.
- Bed risers are not permitted.
- Ceiling fans are not permitted.
- Using any parlor furniture or other college furnishings in residence rooms is prohibited.
- Entry or exit through windows is prohibited, including moving items in through a window or having a friend announce his/her arrival by knocking on a window.

**Quiet Hours**

Quiet hours are from 10 p.m. – 10 a.m. Sunday through Thursday. On weekends, quiet hours are 12:00 midnight – 10:00 a.m. Friday and Saturday.

**Noise**

Individuals shall use discretion where and when noise is concerned both in and around the premises. Courtesy hours are always in effect outside of quiet hours, and both residents and guests shall be considerate of others’ rights to study and sleep, especially between the hours of 10:00 p.m. and 10:00 a.m. Sunday - Thursday. Excessive noise or large parties are not acceptable. Residents in violation of
courtesy and quiet hours may be fined $15 for the first offense and $25 for the second offense. Further offenses may be referred to Honor Council for possible disorderly conduct violation.

Fire and Life Safety Policies

- Candles, incense, tart warmers, electric candle warmers, oil warmers (any product that melts wax or warms oil), or any open flames are prohibited in the residence halls.
- No flammable chemicals are to be kept in the residence halls.
- Tampering with fire safety equipment including smoke detectors and sprinklers is prohibited.
