Student Government Association
As early as 1905, Meredith took an important step forward when it introduced student government, apparently the first college in the state to do so, and one of the first in the South (Mary Lynch Johnson, A History of Meredith College). Since that time Meredith students have held an integral role in the shaping of the policies, philosophy, and tradition of the college.

Executive, legislative, and judicial branches comprise the basic structure of the current Student Government Association, with numerous boards and committees completing the structure.

The purpose of the association shall be to promote, in cooperation with the administration, the general welfare of the student body; to promote by example and precept scholarship, citizenship, and integrity; to act as a liaison with students, alumnae, faculty, staff, administrators, and trustees; to serve as the official advocate of the students; to receive and investigate student grievances; and to encourage students to become active participants in self-governance. See the Constitution of the Student Government Association and By-Laws for detailed information.

All Meredith undergraduate students are members of the Student Government Association and are encouraged to become involved in all its functions. Student involvement is crucial to the effective governance of the campus and vital to the educational process of each student. Each student has a voice in this government through participation in the election of officers, interaction with their class representatives on each branch of the government, self-involvement in the various branches, and an open-communication policy with student government officers. Opportunities for student leadership and involvement are open to all students through campus elections and membership on numerous boards and committees.

The elections schedule is available through the Office of Student Leadership and Service, and detailed information about positions and elections is included in the Constitution of the Student Government Association and By-Laws.

The SGA office is located on the second floor of the Cate Center; the email address is: sga@email.meredith.edu.
