

Meredith College MS Nutrition

Prospective students for the Meredith College MS Nutrition may request a GRE waiver. Without an approved waiver, all applications are required to submit official GRE scores.

To apply for a waiver, please submit the following via email to smithtra@meredith.edu

- Completed GRE Waiver form
- Response to essay prompt
- Undergraduate transcripts (required) and graduate transcripts (if applicable)
- Current resume

Submitting an application does NOT guarantee a waiver approval. Waiver applicants will receive results by email within approximately two weeks. An approved GRE waiver is valid for one year.
