

SENIOR PHOTOGRAPHY GUIDELINES Spring 2021 (Updated April 14, 2021)

Congratulations to you as a proud member of the Class of 2021!

What a special and exciting time for you, your family, and your friends to celebrate all of your accomplishments and special memories while here at Meredith College!

Graduating Seniors who want to have a professional graduation photography session done on campus will be allotted a one-hour session with the photographer of their choice, based on the following criteria:

- **Each one-hour session will be for outdoor photography only** (though restroom facilities can be accessed in Johnson Hall).
- **Senior photo sessions were initially intended for individual photography only; however, as COVID19 conditions have improved, requests for the following will now be considered for scheduling:**
 - Roommates - All participants reside at the same residence
 - Close family members of graduates
- Participants may remove their face coverings while in these individual, scheduled, outdoor photo shoots, as long as appropriate physical distance is maintained.

Please note the following:

- The Meredith College Honor Code applies to these requests
 - Should COVID19 conditions warrant, group requests may be subject to change
 - Because of high demand, there could be multiple sessions taking place at the same time
-
- All participants will be required to submit a completed **Assumption of Risk form** prior to your approved session.
 - **Off-campus participants who are not Meredith students will be asked to download the Campus Clear App and enter their current COVID-19 information into the App on the morning of your scheduled session.**
 - Please remember (especially if this requested photo session is the first time that you will be on campus for the Spring semester), **all students are required to submit proof of a negative COVID-19 test and obtain clearance from the Health Center before returning to campus in-person for Spring 2021.** For details visit meredith.edu/staying-strong/entrance-testing-faqs.

Photoshoots must be scheduled with the Office of Meredith Events, which can be reached at (919) 760-8533 or events@meredith.edu.

To arrange for appointment scheduling, please email: events@meredith.edu with the following information:

- Your name
- Your address
- Your camcard number
- Desired date and 1-hour block of time
- The name of your photographer and any other participants. If requesting that roommates or family members to be included, please provide their names, addresses, and contact phone numbers.
- A contact cell phone number where you could be reached on the day of your photo session
